Thank You for Choosing Highmark Health Options

Look to us for Medicaid coverage and managed care—plus so much more, even when you’re not sick.

Our coverage goes beyond the basics so you can live your best life. The basics include care for your physical and mental well-being—all from the doctors, hospitals, and pharmacies you need.

Some of the benefits that Highmark Health Options covers are “extra” benefits. This means they are not the standard benefits that all Medicaid plans cover.

With Highmark Health Options, you can:

- **Earn rewards:** By having certain exams and health screenings, and by completing wellness classes and healthy activities.
- **Connect with us:** With a free smartphone (one per household). Your calls and texts to us are always free and won’t affect your plan balance.
- **Get where you need to go:** With free transportation to the pharmacy, grocery store, community events, health and wellness activities, and more. This is in addition to the transportation benefit that supplies rides to doctor visits.
- **And more.** See the list of extra benefits.

Get Started

Your Highmark Health Options ID card and primary care provider (PCP) are important.

Your ID Card

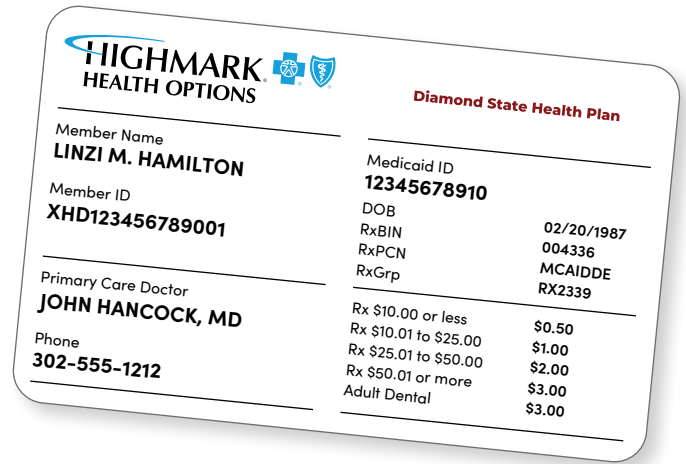

Your ID card was mailed to you. Call Member Services if you did not get it. Every member of your family enrolled with Highmark Health Options will have an ID card.

Your PCP is your family doctor. Make sure the PCP listed on your ID card is the one you want. Call Member Services if the PCP on your ID card is not the PCP you want. Check other information on the ID card to make sure it is right, too.

Call Member Services right away if:

- Your ID card gets lost or stolen.
- You have not received your ID card.
- Any of the information on your ID card is wrong.

Call the phone numbers on the back of your ID card when you need help or information.

Important: Always keep your Highmark Health Options ID card and Delaware Medicaid card with you. Show both cards every time you need health care services.

Your PCP

Your PCP is your family doctor. You must choose a PCP. You can have the same PCP for your whole family, or you can have a different PCP for each person in your family. The choice is yours. To schedule a PCP visit, call the PCP phone number on the front of your ID card.

Your PCP is usually the first person you call when you need health care. You can call your PCP 24 hours a day, seven days a week. After office hours, your call will go to an answering service. You can leave your name and phone number. Your PCP or an on-call doctor will call you back.

Your PCP knows the most about you and will:

- Provide office visits when you're sick and routine care to help you stay well. Routine care includes wellness exams, screenings, vaccinations, and prescription drug refills and changes.
- Manage other kinds of care and hospital stays. If you need care that your PCP does not provide, your PCP may schedule a visit with a specialist. This is called a referral. A specialist focuses on a specific health issue. For example, a heart doctor, skin doctor, or someone who does surgery.
- Ask for prior authorization for some services. We will look at all the medical facts given to us to decide if a requested service is the best care for you.

You can request a new PCP anytime. Call Member Services if you want to change your PCP.

Ask a nurse about the kind of care you need. Call the 24-Hour Nurse Line at **1-844-325-6251 (TTY: 711 or 1-800-232-5460)**.

If you're having a medical emergency, call **911**.

If you're having a mental health emergency, call **988**.

Online Care

If you can't get to your doctor's office or need help before you can get an appointment, use the HHO on the Go app, wherever you are. It's available 24/7. Talk to a provider right away for urgent medical care. Or schedule time for mental health care.

Sign up now so you're all set when you need help. Get the app on the Apple App Store or Google Play. Register on the app or register online at [HHOontheGo.com](https://www.hhoonthego.com).

Note: The HHO on the Go doctor is not the same as your PCP. Some PCPs also offer online care. Call your PCP to ask.

Out-of-Network Care

If you need care from an out-of-network provider, your PCP can call us to request out-of-network coverage. If we find a provider or hospital in the network, we will let your PCP know. If network care is not available, Highmark Health Options will cover out-of-network care for as long as you cannot get network services.

Care Outside Your Area

If you're out of the service area and have a medical emergency, such as a heart attack or car accident, go to the nearest emergency department. Call your PCP as soon as possible.

No Coverage Outside the U.S.

If you're outside the U.S. and need medical care, Highmark Health Options will not cover any services you receive. Medicaid cannot pay for any health care services you get outside the U.S.

You have coverage for exams, cleanings, periodontics, preventive services, and denture repair. Your copay is \$3. Dentures are not covered as part of this benefit. Call Member Services or search the Provider Directory to find a dentist.

Children (age 20 and younger):

Your child's dental benefit does not have yearly limits for dental care. Your copay is \$0, and you don't need a referral to see a dentist. Coverage for children includes exams, cleanings, fillings, root canals, braces, and retainers.

Note: Removal of bony and impacted wisdom teeth is covered by your medical benefit.

Hearing Benefit

Your hearing benefit includes a routine exam and one hearing aid for each ear every two calendar years, as needed, with no copay. Select from six brands of hearing aids. Also included: ear molds and fittings, 60-day trial period, 1-year supply of batteries, and 3-year manufacturer's warranty for repairs and maintenance. Your child's hearing benefit includes hearing exams, hearing aids, and batteries.

Vision Benefit

Adults (age 21 and older):

Your vision benefit includes an annual eye exam with no copay. Coverage also includes disposable or extended-wear contact lenses or a choice of eyeglass frames with clear plastic prescription lenses. Call Member Services or search the Provider Directory to find an eye doctor.

Prescription Drug Benefits

Highmark Health Options uses a list of prescription drugs approved by Delaware Health and Social Services for people with Medicaid. This is called the preferred drug list. Other approved medicines appear on the supplemental drug list.

There are many pharmacies in the Highmark Health Options network. Always use a network pharmacy to fill and refill your prescriptions. You can call or visit any network pharmacy to request a refill. Call Member Services or search the Provider Directory to find a network pharmacy.

Request a 90-Day Supply

Do you take a prescription drug for a long-term condition? You may be able to get a 90-day supply instead of a 30-day supply. This means you only need to refill your prescription four times a year. Go to our website to find the list of medicines that are covered for a 90-day supply.

Maternity Benefits

We're here for you before and after your baby is born.

It's very important to pay attention to your health during this time of change. Be sure you see your doctor within 14 days of becoming aware you are expecting. See your doctor regularly before and after your baby is born for prenatal and postnatal exams.
